CARRANZA WILL
VISIT OLD HOME

Elaborate Preparations Being Made
at Saltillo, Mexico, for Annual
Visit of Chief Executive.

(By Associated Press.)
Laredo, Texas, Oct. 9.—Prepara-
tions are being made at Saltillo, Mex-
ico, it has been learned here, for the
forthcoming visit of General Venustiano
Carranza, head of the de facto
government of Mexico, to his home
there some time this month. Tri-
umphal arches and electrical decora-
tions are being arranged on a lavish
scale, according to passengers from
the interior city.

The first chief has been accustomed
to pay a visit almost annually to his
former home, where he was a lawyer
before coming sponsor for the constitu-
tionalist cause.

On his 1915 trip home General Car-
ranza visited several other cities of
Northern Mexico, coming as far north
as Piedras Negras, opposite Eagle
pass, and Nuevo Laredo, where he
held a conference with Governor
James E. Ferguson of Texas.

CREAGER NOT COMING.

Frank Myers received a message
today from his father, who is in Hous-
ton, stating that Hon. R. B. Creager,
Republican candidate for governor,
had canceled his date for Bryan and
would not be here. The train sched-
ules are such that he could not make
Bryan without interfering with dates
made before the Bryan engagement
was announced.

DOG AND PONY SHOW.

Riding Hour for the Children on Ele-
phants and Camels.

Every circus must have a spectacle,
a "spec," as many of the inhabitants
of white top land call it. But to the
Gentry Brothers' show, coming to
Bryan on Saturday, October 14, befalls
the honor of featuring not only a
spectacle, but a children's riding
hour, when the pages of story books
are turned and the dreams of child-
hood come true. Immediately after
the matinee each day the Gentry ele-
phants, the camels and the two hun-
dred ponies are mounted by a host of
laughing and shouting kiddies and it
seems that the menagerie tent of the
circus contains all the youthful happi-
ness in the universe. And the ani-
mals like it, too. The little eyes of
the huge elephants twinkle gleefully
and the ponies neigh their pleasure.
Even the jungle beasts cease their
deep-throated growlings during this
magic period—the children's riding
hour. Show grounds on South Dal-
las street. Washington street en-
trance for autos.
